ROSEL H. HYDE

The Honorable Rosel H. Hyde, Chairman of the Federal Commission was presented with a QCWA Honorary Membership by President Earl R. Thomas at the meeting of the Washington Chapter of QCWA. The FCC Chairman then gave the principal address of the evening. He paid tribute to the important benefits of amateur radio and suggested that QCWA seek to stimulate interest in this field by our youth. His complete remarks were published in the April 1967 issue of QST.

WILLIAM S. GRENFELL, W4GF

William S. Grenfell, W4GF, of the Amateur and Citizens Division, FCC, and QCWA member gave a most interesting talk at the annual meeting of the Baltimore Chapter, QCWA. Bill gave a number of interesting statistics regarding the number of licensed amateurs through the years and while the rate of growth has dropped off compared to the mid '50's, he did not see cause for panic or alarm.

A tabulation of licensed amateurs over the past ten years is:

<u>Fiscal Year</u>	<u>Amateur Operators</u>	<u>Amateur Stations</u>
1956	146,835	150,549
1957	161,046	165,195
1958	175,518	179,314
1959	191,493	195,776
1960	212,107	217,102
1961	216,720	222,170

<u>Fiscal Year</u>	<u>Amateur Operators</u>	<u>Amateur Stations</u>
1962	230,459	237,159
1963	247,603	255,140
1964	256,237	264,007
1965	258,881	266,007
1966	257,602	270,562

The number of licensed amateur operators by classes is:

<u>Date</u>	<u>Extra</u>	<u>Advanced</u>	<u>General</u>	<u>Other *</u>	<u>Total</u>
Jan. '66	4451	38,864	104,234	112,752	260,301
July '66	4554	37,856	104,862	110,564	257,836
Jan '67	4710	37,311	105,962	107,969	255,952

Note * Conditional, novice and technician licenses.

Bill, in commenting on Docket 15928 said that he believes the Commission will adopt a form of incentive license which will reserve sub-band frequencies for those qualified for higher classes of amateur operator licenses.

EXECUTIVE SECRETARY'S NOTES

Visited SAROC Convention in Las Vegas in January. The Hotel Sahara was sure a fine place to meet. --- In early April was in and out of the hospital - am now fine - thanks for all the cards. --- Library of Congress has requested our year books and copies of News Letter. --- Dues - hey old delinquent buddies, this will be your last News Letter unless you get that \$5 up right away. Dues expire the last of December - take a look at your membership card - final notices have been sent to delinquents. --- Greetings to two new chapters, the GATOR in west Florida and the ANTHRACITE in northwestern Pennsylvania. Am looking for a chapter to sponsor the 1968 QCWA party - any volunteers? - drop me a line. Still am keeping skeds on 14.341 mc at 1400 Z Wednesdays and 1700 Z Saturdays.

HOW'S YOUR CODE SPEED?

The Department of Defense has developed a morse code translator which plugs into any receiver, converts code signals and displays them as letters on the face of the instrument. The unit is 1-1/4 x 2-7/8 x 2-7/8 inches, has 350 diodes, 75 transistors and 17 incandescent lamps. The manufacturer is Regency Electronics, Inc. Price ...?... probably plenty - cheaper to brush up on your code speed.

PERSONAL NOTES

Marion Morris, K6GJ, answered a May day call from an amateur badly injured in a car accident in Utah. The injured amateur, Tommy Redick, K70JF, who had a mobile rig in his car, was bleeding badly and asked for help. Marion gave the message to the Los Altos police who passed it to the State Highway Patrol. In response a sheriff arrived from Baker, Nevada and another from a border station. Tommy was rushed to a hospital and now is thankfully recovered.

David L. Marks, W2APF, received the ARRL public service award for his efforts through amateur radio in securing special drugs for a woman critically ill in Paris, France. Mark is also co-sponsor with the Albany, N.Y. Times-Union in "Operation Goodwill" which tape records messages from servicemen overseas and sends the tapes to the families and loved ones.

BITS AND PIECES

The Canton chapter says W8NAL, will hold their QCWA summer meeting August 13th 1967 at Grays History of Wireless Museum, in Mason Ohio. This is also a picnic.The West Virginia Chapter will set up a display of antique radio gear at the West Virginia State Radio Convention at Jackson's Mill on July 1-2 1967... ..We have gotten a couple of firsts; New members from Japan JA2JAA and LA2MA from Norway.....Welcome aboard ole timers.....During April while I was ill, was visited by W2FAR, W2DXB and KØYAE we had quite a hamfest between the four of us. Spent a whole afternoon talking about the old days....If you are interested in getting a certain call write to Joe E Aiken W4QDF ex WA4TDQ and get details first hand on how to do it.... by the way fellows, I need some call books to fill out the QCWA library; need 1920; 1921; 1923; 1926 and 1963 if you have or know of someone who has any extras would appreciate letting me know.W2JE.... and oh yes I had a QSO with W2HX Sunday AM May 21st and he reports all logs of the last QCWA QSO have been checked and a report submitted real soon. This will be all detailed in our next newsletter.....73 W2JE
